subject to change

## CHECKLIST BEFORE START

- **Payment done?** Please pay via bank transfer at least 7 days in advance.
- You have your **Course ticket?** You will receive this with the other course documents on your arrival weekend in the ski school office or at the start of the course at 9.45 a.m. directly at the meeting point. We prepare all documents ready to minimize waiting times. Please check your phone number on the ticket and give the lower section to your snowboard instructor at the start of the course. The upper section is for you. Please also stick the name sticker on the helmet before classification.
- **Skipass** (see below)
- **Equipment checked?** Are edges and running surface in good condition? Is the binding mounted correctly?
- In case of COVID measurements we inform on our website.

...READY TO START :-)

## COURSE TIME

Monday to Wednesday, from **09.45 - 12.45**.

Meeting place for all snowboarders is the **violet flag** at our skischool Sammelplatz (Hornbabylift R4).

## SKIPASS

The ski pass is not included in the course price. Advanced users need a ski pass from the start. For beginners, a 100 - points ticket is sufficient for the first day of the course. TIP: The lift tickets are cheaper online than at the ticket office.

## SNACK BREAK

Snowboarding can be exhausting, especially in the beginning. That's why we take a short break in between, where we provide a drink and a muesli bar. In case of allergies, please contact us in advance.

## FOTO

On Tuesday the photographer visits us and takes photos of our group. The folder with two pictures is available at the ski school office for EUR 12 from Wednesday.

## WHY MINIMUM AGE?

For our snowboard course we require a minimum age of 9 years. We are happy to introduce younger kids to snowboarding in private lessons, where we can provide the necessary assistance. The snowboard groups are mixed-age (children, teenagers and adults). The average age is 12-14 years.

## GROUP SIZE

Our average group size in the snowboard course is 6 people, maximum is 8.

## PROTECTORS?

In addition to the obligatory helmet, we recommend wearing wrist protectors.
